Reference: Letter from 24th March 2019

Dear Sir,

I would like to come back to your correspondence from 24th March 2019.

As I explained to you in my previous letter, I will not be able to give you a satisfactory answer to your technical requests, as they do not fall under my jurisdiction.

Therefore I would once again suggest that you apply to the ministry of Justice in order to get all necessary explanations about why courts do not more often pronounce shared custody and do not in your opinion take more often into account the needs and interests of the fathers in case of separation and divorce.

Furthermore, I would kindly invite you to address the Center for Equal Treatment that can open a file and assist you in your procedure to obtain more specifically equal treatment for fathers.

In order to succeed in your argument I would recommend that you eventually hire a lawyer who assists you in your case.

With kind regards,

Taina Bofferding
Minister for Equality between
women and men
